Access all your conveyancing tasks within Visualfiles

Information is pulled directly into InfoTrack from the Visualfiles matter

All disbursements are automatically returned to Visualfiles

To activate your free account immediately, just call

As a user of Visualfiles, you now have access to a range of innovative services and tools provided by InfoTrack.

InfoTrack is the only legal services provider that utilises real-time, two way integration, ensuring your results and associated costs are immediately sent back to Visualfiles.

Seamless integration between the two systems empowers your firm to operate more efficiently by providing you with innovative technology and easy access to all the key conveyancing tasks at the click of a button.

Some of the great benefits of accessing InfoTrack through Visualfiles include:

- 1 Access to InfoTrack by simply clicking the QuickStep button in Visualfiles, whereupon your InfoTrack login credentials will be automatically entered
- 2 All your searches, SDLT and AP1 forms and other activity in InfoTrack is automatically populated using matter information pulled through from Visualfiles, removing the need to re-enter key information
- 3 All disbursements are automatically posted back through to Visualfiles, eliminating manual entering of cost recoveries and the possibility of missed disbursements
- 4 All relevant documents ordered through InfoTrack are stored for 7 years and are sent back into your Visualfiles matter
- 5 Free access to REVEAL, the unique data visualisation software from InfoTrack, enables faster analysis to discover relationships between individuals and companies
- 6 InfoTrack is subscription free, so you only pay for what you use
