

Access smarter services

Faster, efficient conveyancing with integrated services from InfoTrack.
Harnessing the power of Elite MatterSphere

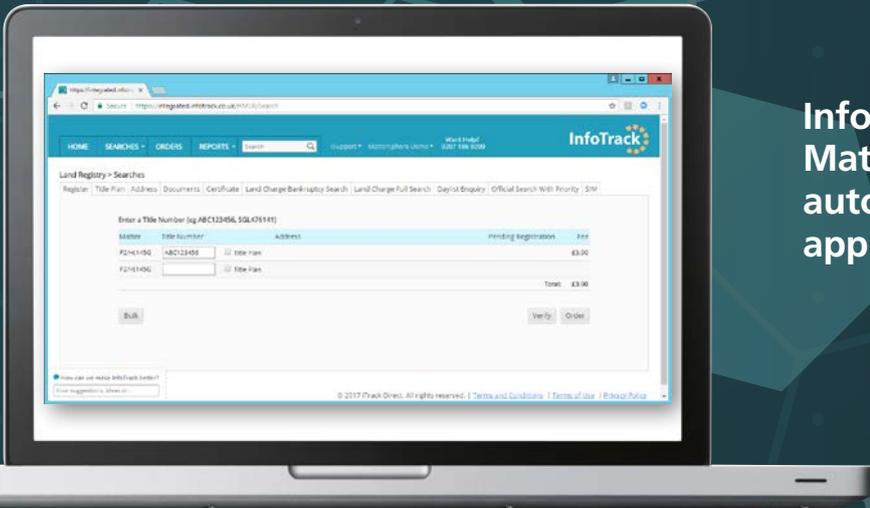

THOMSON REUTERS®
ELITE-3E™ Technology Partner

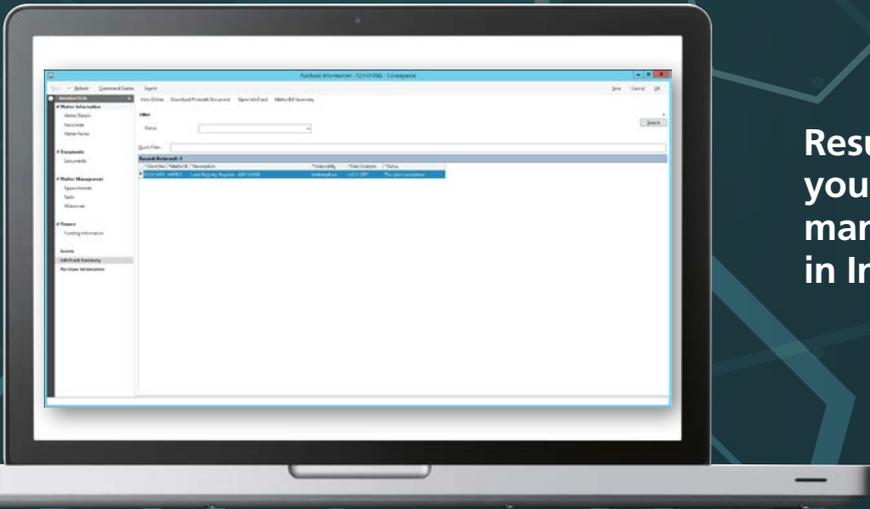

Access all your conveyancing tasks within MatterSphere

Information is pulled from MatterSphere into InfoTrack automatically populating applicable fields

Results are returned back to your Mattersphere document management area and stored in InfoTrack for 7 years

To activate your free account immediately, just call

As a user of Elite MatterSphere, you now have access to a range of innovative services and tools provided by InfoTrack. We're the only services provider that provides real-time integration, ensuring your results and costs are immediately sent to MatterSphere.

Seamless integration between the two systems empowers your firm to operate more efficiently by providing you with innovative technology and easy access to all the key conveyancing tasks at the click of a button.

Some of the great benefits of accessing InfoTrack through MatterSphere include:

- 1 True integration gives you immediate access to all your conveyancing tasks meaning you only need a single window and a single login
- 2 Searches, SDLT and AP1 forms on InfoTrack are pre-populated using matter information from MatterSphere, removing the need to rekey information
- 3 All disbursements are automatically returned back to 3E or other accounting system connected with MatterSphere, removing manual entering of cost recoveries
- 4 All relevant documents ordered through InfoTrack are merged into MatterSphere and are stored in InfoTrack for 7 years
- 5 Free access to REVEAL, the unique data visualisation tool from InfoTrack, enabling you to quickly discover relationships between individuals and companies
- 6 InfoTrack is subscription free and you only pay for the services you use
