

Access smarter services

Faster, efficient conveyancing with integrated services from InfoTrack and Peppermint CX

As a user of Peppermint CX, you now have access to a range of innovative services and tools provided by InfoTrack.

InfoTrack is the only legal services provider that utilises real-time, two way integration, ensuring your search results and associated costs are immediately sent back to Peppermint CX.

Seamless integration between the two systems empowers your firm to operate more efficiently by providing you with innovative technology and easy access to all the key conveyancing tasks at the click of a button.

Some of the great benefits of accessing InfoTrack through Peppermint CX include:

- 1 True integration gives you immediate access to all your conveyancing tasks meaning you only need a single window and a single login
- 2 All your searches, SDLT and AP1 forms on InfoTrack are automatically populated using matter information pulled through from Peppermint CX, removing the need to rekey information
- 3 All disbursements are automatically posted through to Peppermint CX, eliminating the manual entering of cost recoveries
- 4 All relevant documents ordered through InfoTrack are stored for 7 years and are also sent back into the Peppermint CX matter
- 5 Free access to REVEAL, the unique data visualisation software from InfoTrack, allows faster analysis to discover relationships between individuals and companies
- 6 InfoTrack is subscription free, so you only pay for what you use
