As a user of Tikit P4W, you now have access to a range of innovative services and tools provided by InfoTrack.

InfoTrack is the only legal services provider that utilises real-time, two way integration, ensuring your search results and associated costs are immediately sent back to Tikit P4W.

Seamless integration between the two systems empowers your firm to operate more efficiently by providing you with innovative technology and easy access to all the key conveyancing tasks at the click of a button.

Some of the great benefits of accessing InfoTrack through Tikit P4W include:

- 1 Access to InfoTrack at the click of a button in Tikit P4W, whereupon your InfoTrack login credentials are automatically entered
- 2 All your searches, SDLT and AP1 forms on InfoTrack are automatically populated using matter information pulled through from Tikit P4W, removing the need to rekey information
- 3 All disbursements are automatically posted through to Tikit P4W, eliminating the manual entering of cost recoveries
- 4 All relevant documents ordered through InfoTrack are stored for 7 years and are also sent back into the Tikit P4W matter
- 5 Free access to REVEAL, the unique data visualisation software from InfoTrack, allows faster analysis to discover relationships between individuals and companies
- 6 InfoTrack is subscription free, so you only pay for what you use
